Blaxsox

Having purchased my first lot of Blaxsox I would like to say how happy I am with them. They are comfortable, fit well and best of all whether I am wearing work boots or gum boots they don't work their way down to the toe.

I have renamed them my "STAY PUT SOCKS" which is what they do, it has taken me years to find a satisfactory sock, but I know what I will be wearing in the future.

Regards

Graham
